

ESCAPE RESPIRATORS

7900 Series Escape Mouthbit

7900 Series Escape Mouthbit

Overview

Feedback

The 7900 Series mouthbit respirators offer a quick and economical method to escape non-IDLH emergency situations. Use the respirator as a “visitors escape device” or issue individual respirators to employees as a safety precaution against a potential chemical leak.

Features & Benefits:

- Belt clip for fast and easy access Soft and flexible mouthpiece uses same design used for snorkeling equipment: improves grip and comfort.
- The 7900 Series mouthbit respirators offer a quick and economical method to escape non-IDLH emergency situations.
- Use the respirator as a “visitors escape device” or issue individual respirators to employees as a safety precaution against a potential chemical leak Tyvek cover on mouthpiece protects and keeps it clean.
- Wide nose clip fits most facial types.
