# HONEYWELL UVEX TIRADE

Honeywell Uvex Tirade Sealed Eyewear offers protection in high particulate environments where dust, dirt and debris present the risk of eye injury. Uvex Tirade features a large unilens design for a wide field of unobstructed peripheral vision, and a soft foam subframe to ensure a comfortable gap-free fit. Available in a variety of lens tints with Uvextra® fog-resistant lens coating, Uvex Tirade offers a dependable, cost-effective solution for indoor and outdoor environments requiring sealed eyewear protection.

## PERFORMANCE FEATURES

- Indirect ventilation channels on the foam and subframe provide superior dust filtration keeping debris out of the eyes
- Frameless, unilens design allows for wide-field peripheral vision
- Quick-release hinge system converts easily from temples to headband. Removable temples and standard adjustable headband included. Hypoallergenic latex-free option available
- 100% Non-conductive dielectric design. Can be worn in environments where accidental exposure to electrical charge is possible
- Uvextra® fog-resistant coated lens reduces fogging, keeping lenses clear
- Ideal for use in oil, gas & chemical, utility, construction and manufacturing operations
- Meets ANSI Z87.1+ and is certified to CSA Z94.3

# HONEYWELL UVEX TIRADE™ OFFERS A DEPENDABLE, COST-EFFECTIVE SOLUTION IN SEALED EYEWEAR PROTECTION.

Molded, closed cell foam easily conforms to the face for a comfortable, gap-free fit.

Uvex Tirade features a removable foam subframe, allowing workers to wear eyewear as a traditional spectacle when working in environments where particles and airborne debris are not present. Meets ANSI and CSA standards.
