Life Line is relentlessly focused on producing ambulances and providing services that exceed customer expectations. Each Life Line partner is empowered to pursue these goals with pride and professionalism.

Renowned Life Line quality that delivers durability, performance, quiet comfort & safety:

- 3" Thick Labyrinth-Style doors throughout

- The highest quality DuPont Elite paint to keep your transport office looking great

- 3" Wide Hinges on all Compartment & Entry Doors

- Minimum of 5 extrusion tubes placed horizontally between verticals in all side wall construction

- 2" thick double aluminum, interlocking, insulated floor

- "Surround Quiet" insulation and vapor barrier

- 2x3 Crash Rail System design to absorb impact & minimize damage

Life Line allows you to customize your "office" with a wide range of thoughtful, EMT-designed features:

- Dual rear patient controls
- 5-point safety harness system
- Angled cabinets with padded corners
- Recessed areas for sharps, waste & suction
- Positive latch restock cabinets
- Alternate safe areas for EKG monitors & IV pumps
- Use of interior space is maximized, improving compliance with storage requirements.
- Dual side body privacy windows to allow natural light in while keeping patient privacy a priority
