

Men's Heavy-Weight Nomex®

Duty Pants

Regular Cut

Comfortable and durable NFPA-certified StationWear™ trousers that offer high-quality detailing, tear/abrasion-resistance, and easy care — while also providing ultimate protection and a professional image

Key LION Duty Pants Features:

- NFPA 1975-certified
- 7.5 oz/yd² DuPont™ Nomex® IIIA plain weave
- Triple-needle stitched side seams
- Gusset crotch for ease and range of movement
- Double-needle stitched seat
- Quarter top pockets with coin pocket (right side)
- Double-welt rear hip pockets
- Riveted closure at waistband
- Available in a **regular cut** (#2242G) and an **athletic cut** (#2243G), for more muscular/stockier body types that require additional room in the leg and seat areas

Available in two traditional fire service uniform colors
