

EMS/Rescue Helmets from MSA

"Our mission is your safety."

Pioneering safety solutions since 1914, MSA manufactures outstanding safety products: head, eye, face, hearing/communications, & fall protection; gas detection; thermal imagers; body armor; and respirators.

Three low-profile, lightweight emergency service and rescue helmets that meet NFPA 1951-2007 requirements (USAR). Durable construction protects against impact and penetration hazards. No-brim design allows easier access to confined spaces and vehicle rescues.

EMS/Rescue Helmets from MSA Cairns® are worn by EMS, rescue, and other personnel involved in vehicle extrication and confined space rescue. No matter where your service takes you, your helmet is comfortable enough for all-day use.

These rugged helmets meet the requirements of NFPA 1951-2007 for urban search and rescue (USAR). Choices and options include six helmet colors; goggles; headband liner; chinstrap; and trim type, color, and shape.

HP3® Helmet is shown

Features and benefits:

- ➔ Non-corroding, high-temperature-resistant faceshield/goggle hardware
- ➔ Easy front headband adjustment
- ➔ Rear ratchet height adjustment to fit all head sizes
- ➔ Through-color thermoplastic shell or painted DuraGlas® fiberglass composite for everyday durability
- ➔ Durable helmet hanger fits on large hooks, resists bending
- ➔ Five-year shell replacement warranty

MSA
The Safety Company

Rescue 360R Helmet

- Foam impact cap for increased protection
- Meets NFPA 1971-2007 for structural firefighting
- Lightest, lowest-profile helmet that meets both NFPA 1951 & 1971 standards

Rescue 360R-13 Helmet

- Very lightweight (no impact cap needed for NFPA 1951 level of protection)
- Designed in conjunction with PA Region 13 Task Force to meet rescuers' needs
- Meets NFPA 1951-2007 standard for Urban Search and Rescue

Ordering Information

MSA's Assemble-To-Order (ATO) System allows you to choose the features/options you want when you create your own part number.

Meets NFPA 1951-2007 Standard for Urban Search and Rescue
