• NOHA VILLA

NOHA VILLA

Hose reel is excellent for fire fighting as well as car washing and garden watering. 26,5 meters of 13 mm hose covers the needs of most private homes. The hose reel can easily be disconnected for storing indoors. It can easily be connected indoors as well. You then have an extra fire hose in case of fire.

NOHA VILLA IS SUPPLIED WITH:

- PVC hose reel with water supply through centre of reel
- Wall-mounting bracket
- Adjustable jet/spray/shut-off nozzle, with quick coupling
- Black hose
- Supply hose with quick coupling for connecting to water tap
- Rewind handle fitted to front disc
- NOHA installation and maintenance instructions

Model	Hose length in metres	Dimensions in mm	Order number
Villa	13 mm 26,5	Ø x A 400 x 160	155002
