### KUT GARD® SINGLE-PLY ACP™ / KEVLAR® BLENDED SLEEVE WITH SMART FIT™

- Smart Fit™ technology raises the standards for performance knit sleeves offering a unique stretch and recovery to increase overall performance and value compared to traditional rib knits
- Proprietary ACP / Kevlar® blend is exceptionally comfortable, offers twice the cut resistance compared with traditional Para-Aramid sleeves and is inherently flame resistant
- Fabric can withstand heat up to 500°F to protect arms from minor heat and burn injuries
- Exceptional comfort and fit, will fit comfortably over clothing or directly on the arm
- Form fit from top to bottom so it stays up on the arm making it far less prone to sliding down the arm eliminating the need for elastic or hook & loop top in most applications
