HEROS[®]-xtreme

Helmet system

Based on 15 years of experience with protective helmets, ROSENBAUER developed the new fire fighting helmet **HEROS[®]-xtreme** in accordance with the draft prEN 443:2006!

With a considerable number of important details, the new **HEROS[®]-xtreme** is one of the best fire fighting helmet systems in the world:

- Developed in accordance with prEN 443:2006
- High impact and penetration resistant helmet shell even at extreme temperatures
- Revolutionary helmet lamp system* – world innovation
- Ergonomic inner lining
- Trapezoidal chinstrap for better stability
- Easily adjustable helmet size from outside
- Face shield and eye protection visor*

HELMET SYSTEM*:

- Helmet lamp
- Neck protection
- Breathing masks
- Communications kit
- Thermal imaging helmet camera
- 2 visors

MASK ATTACHEMENT: possible with all common breathing masks

* optional

HEROS[®]-xtreme
