● WELCOME

SFFECO Global was created as a company with an aim of expanding its distribution around the world. Over the course of time SFFECO GLOBAL has introduced several brand names united under one common goal to achieve perfection and to provide the best solutions for Fire and Safety Industry.

Through time of learning the curve on how to harness the power of technology, we have achieved 4 golden decades of excellence.

SFFECO Global is now in the frontier of Fire and Safety industry globally, our experiences and expertise were the driving factors of our success.

VISION

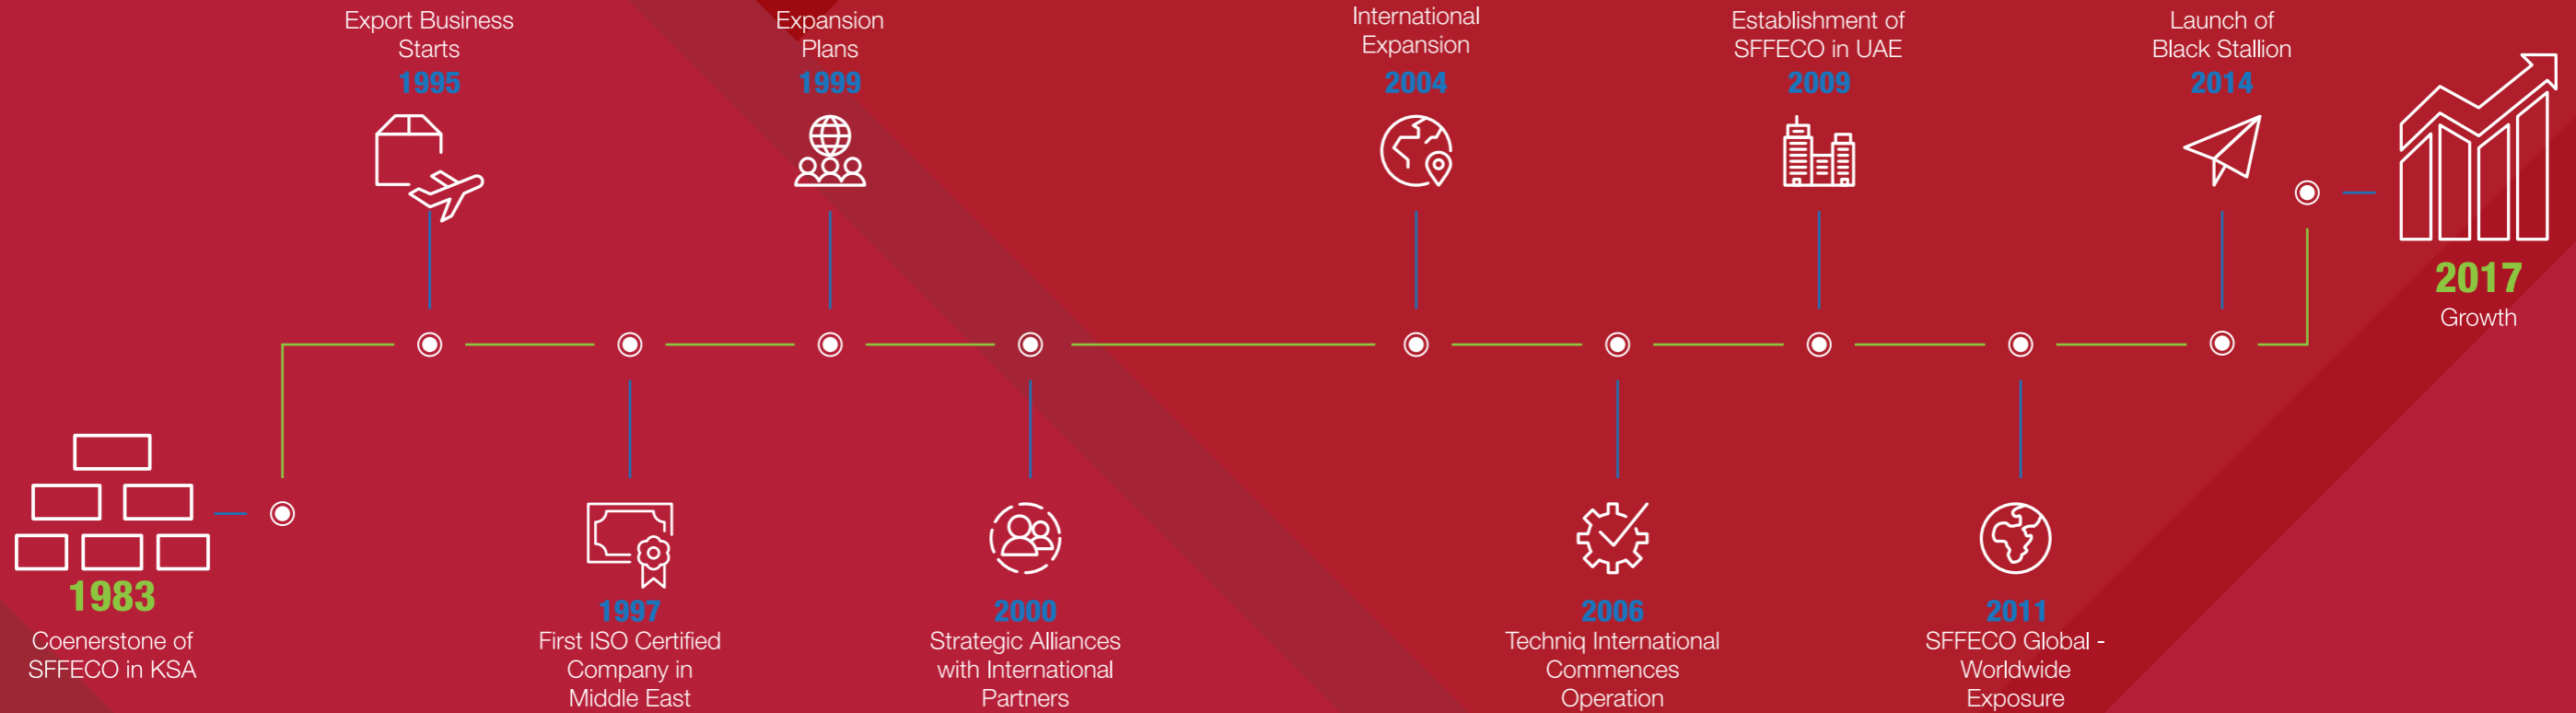

To become customer's first choice as a local manufacturer of certified products of premium quality that meet a varied range of fire and safety applications.

MISSION

Become a global leader having domestic presence with a credible and trustworthy profile of high quality, certified products and services.

HISTORY

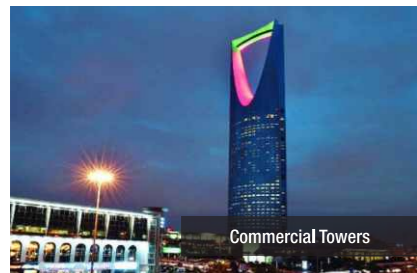

● EXPERIENCE

SFFECO GLOBAL was founded with the purpose to **PRODUCE TRUST IN FIRE AND SAFETY**. This thought was never meant to limit us to a specific or regional markets. With over **40 years of experience**, we are proud to say, that our expertise globally in various industries in providing Fire Safety and Medical related solutions has made us excel with success. Over time we have built some key and strategic dealer network and partnerships to expand our reach and horizon. We have had the opportunity to provide certified fire and safety products equipped with the best technology and mobile health & medical solutions in over **100 countries across Middle East, Asia, Europe, Africa and North America**.

○ **DIESEL ENGINE DRIVERS FOR FIRE PUMPS**

Bringing together a mix of international design expertise with years of engineering experience, extensive research and advanced manufacturing facility, BLACK STALLION translated into a range of products that are here to stay.

Our Diesel Engine Drivers are suitable and compatible to be coupled with small to big fire pumps with different configurations, due to availability of a wide range of models starting from 15 HP. The new range of BLACK STALLION Diesel engines are a proud addition to SFFECO GLOBAL's line of products.

CERTIFIED DIESEL DRIVEN ENGINES

- Performance Oriented
- Efficient Fuel Consumption
- Cost Efficient
- Premium Quality
- Low Maintenance
- Prompt Service Backup
- Compact Arrangement
- Easy to Operate
- Fast & Timely Delivery

● 2800 RPM DIESEL ENGINES

- 21 HP Engine
- 35.5 HP Engine
- 58.5 HP Engine
- 75 HP Engine
- 127 HP Engine
- 133.5 HP Engine
- 146.5 HP Engine
- 154HP Engine
- 240 HP Engine

● 2900 RPM DIESEL ENGINES

- 15 HP Engine
- 20 HP Engine
- 30 HP Engine
- 57 HP Engine
- 71 HP Engine
- 118 HP Engine
- 128 HP Engine
- 186 HP Engine
- 209 HP Engine
- 259 HP Engine

● 3000 RPM DIESEL ENGINES

- 21 HP Engine
- 35.5 HP Engine
- 58.5 HP Engine
- 75 HP Engine
- 127 HP Engine
- 146.5 HP Engine
- 190.5 HP Engine
- 216 HP Engine
- 271.5 HP Engine
