Data sheet

OVERALL HIGHWORK LIGHT

SKYLOTEC has developed a lighter version of the tried and tested OVERALL HIGHWORK LIGHT for work in warmer environments, brief applications or interior work, such as in towers. GORE-GTX® is a breathable and light material at only 190g/m² and guarantees extra comfort in these areas of application. Numerous technical features, such as waterproof and flapless zip fasteners, and a special pocket design suited to wearing a harness, set this product apart.
