

Makes smoke testing operations safe, efficient and effective.

The “Original” Liquid Smoke Generator does it all. Add the M-45 Manhole Kit to the versatile M-45 Thermal Smoke Generator and trace lines, detect leaks, illicit connections, odors, and more in sewer and plumbing lines.

The Kit includes:

- 30 inch manhole plate, made from 11 gauge steel - laser cut then powder coated for precision and durability. A foam cell bottom gasket is applied to create a leak free seal around manhole and reduce vibration and noise.
- Heavy Duty – clear, steel reinforced - 8 inch diameter - 5 foot of flexible duct hose
- Adjustable 8 inch hose clamps
